The Making of a Star

English 2 Honors Classroom Code: nq0dvu (that is a zero)

Directions

Using whatever devices you have available to you, make a movie. It may be a documentary, adventure, drama, serious, whimsical, suspense, comedy, straightforward, or abstract/artsy. The movies can be autobiographical, about a passion, interest, or hobby. They can be about issues that you care about. They can be true or fiction. You can choose to make the movie about anything in any format you wish so long as the content remain appropriate for school.

These movies must be

1. At least five minutes long
2. Be edited for quality
3. Show a clear purpose and message
4. Incorporate a musical soundtrack

After you have made the movie, write a 1 - 2 page essay explaining what you attempted to achieve in the making of your movie. Be sure that this essay is edited for proper English and in a clear essay format.

We will be using these movies to kick off the start of the school year.
